No Single Bulb Over Fifteen Cents

Pause and think what this means to you. Varieties that were introduced a few years ago at \$100.00 per bulb you can try for fifteen cents or less. Frequently this price is only a fraction of that asked by other growers, for the same variety. Great advances are being made in Gladiolus. Keep your collection up to date.

I suggest the following varieties as being meritorious. Mair originations: Faust, Irene, John Hill, Quality, Queen Mary and Sunset.

Pfitzer's originations: Albatros, Blue Triumphator, Commander Koehl, Mammoth White, Mrs. Anna Pfitzer, Schubert and Yellow Perfection.

Australian and New Zealand originations: Canberra, Hinemoa, Milkmaid, Mrs. S. A. Errey, Mrs. T. Rattray and Red Lory.

From other originators come Frederick Christ, similar to Coryphee but without the weakness of that variety. Fred Christ was introduced at \$300 per bulb and is one of the few high-priced Glads in which I was not disappointed. Picardy—that great Glad from Canada. Everyone should have it. Order early as some growers report large bulbs already sold. The only fault is its too rapid increase. Ruffled Gold, the yellow that stands the heat. One cut flower grower reports the florists have this selected before he can get out of the truck.

Read This Before Ordering

I exercise the greatest care to have everything true to name and will replace free, or refund the money, on any stock untrue to name. If for any reason you are dissatisfied with the stock, when received, return it and your money will be refunded.

We now occupy our own specially built storage warehouse which is one of the finest in the United States. These bulbs are the purest and best that years of experience and favorable growing conditions can produce.

Our new address is due to renumbering the entire city of Portland. Use it to avoid possible delay in your mail.

TERMS

Net cash before shipment; 25 per cent deposit will hold orders until shipment. Orders not fully paid will be sent C. O. D. for the balance, at the time for shipment to your locality. Money orders and checks drawn in foreign currency will be credited at the amount for which they are paid.

THRIP

The bulbs are guaranteed free from thrip. We treat our bulbs in storage and will ship packed with naphthalene flakes if requested. I advise everyone to treat the bulbs he plants with lye or corrosive sublimate. Directions will be packed with your order if you are not familiar with these treatments.

DISCOUNTS

For price of 10 bulbs, divide 100 price by 9. Less than 10 bulbs sold at the same rate, but no item less than 10 cents. Thus, 3 bulbs at \$3.00 or \$3.20 per 100 are 10 cents. 3 bulbs at \$3.60 per 100 are 12 cents and 3 bulbs at \$4.00 per 100 are 13 cents. 25 or more bulbs, one size and variety, are sold at 100 rate.

Any quantity of bulblets at 100 or 1000 rate, but no item less than 10 cents.

If you use bulblets by peck or bushel or large quantities of planting stock, write for special quotation giving variety, size and quantity.

ORDER CHANGES

It sometimes happens that I am out of the size you order, but have other sizes in the same variety. Please state if you wish me to send another size or variety if out of what you order. You will always receive liberal value for any change.

SHIPMENT

Domestic orders for \$2.00 or more and foreign orders for \$5.00 or more from retail list will be prepaid anywhere in the world reached by 14c a pound postage rate.

A service charge of 25 cents will be made on domestic orders of less than \$2.00 and foreign orders of less than \$5.00.
